Copies of this Catalogue, giving prices realized, neatly executed in red ink, 50c. Cash with order. Acquaint yourself with the prevailing rates for coins, etc.

Coins and Medals are sold at so much per piece. Kindly make your bids accordingly. Do not bid by the lot. If a lot contains 10 pieces and you desire to offer \$2.00 for it, make your bid 20c.

My terms for buying are 10 per cent.

Auction Sales are strictly for cash. Parties unknown to me must send a deposit covering at least 25 per cent. of their bids, otherwise they will not be accepted.

My ratings of the condition of Coins and Medals, and the statements made in my Catalogues as to their rarity, etc. are to be distinctly understood as based on my personal judgment, formed after an experience of more than twenty-five years as a dealer.

Gradings of Coins or of lots, in other catalogues, should be credited to those who compile them, and their interpretations of this very important factor, should be valued according to whatever experience they may have had, the knowledge acquired, and their integrity of purpose.

The last firm named, supplied "the long felt want" to many merchants. A large proportion of the series of Hard Times Tokens, was made by them. As currency, the cards were popular advertising mediums, and if permitted to-day, the government would have little use for presses to coin pieces below the value of 5c.
